

LED Square Panel Light

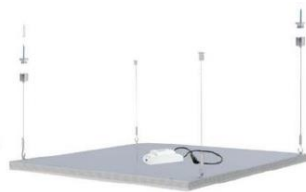

LED Panel Light

Key Features

1. High tech photoconductor plate with 3D nanometer laser mark;
2. High-end customized LGP
3. Pantend led driver with no flash

Application:

Education, Food Retail, Healthcare, Hospitality, Industry, Office

(2) Embedded (for suspended ceiling)

Item	LED Square Panel light			
Available Size(mm)	300*300mm	300*600mm	600*600mm	600*1200mm
Power(w)	18W	36W	38W	60W
CCT	2700-3000K/4500-5500K/6500-8000K			
Input Voltage	100-240AVC/85-265AVC 50Hz-60Hz			
CRI	≥75			
Power factor conversion	0.85			
Driver	Isolated/non isolated			
Appearance	Clear/Laser mark			
Power Efficiency	75-85 LM/W			
Beam Angle	120 degree			
Operating Temperature	-25°C- 60°C			
Storage Temperatures	-20°C- 50°C			
IP Rating	IP54			
Life span	50,000 hours
